

# Experience Credit for TTOCs

## Why might you want to transfer this experience?

## Why might you not want to transfer experience?

## How do I know what to do?

You need to decide what works best for your situation. You can find your status on your pay stub, or by talking to H.R. Some Districts may contact you about your options, but generally the transfer is initiated by you.

Experience can only be transferred twice a year: August 31 and December 31.

Contact your Local President if you have any questions about how this works in your District.
