**Memo to: Senior Staff Representatives**

**From:** Joanne Sutherland, President

**Subject: BCTF Annual General Meeting Resolutions**

---

At the VESTA General Meeting on December 8<sup>th</sup>, members will be adopting resolutions for our delegation to take to the BCTF Annual General Meeting in the spring of 2021.

Please hold a VESTA meeting in your school to discuss this issue and gather any ideas your staff may have for resolutions to be submitted. Resolutions coming from locals may direct policy the BCTF will adopt or actions to be taken. Resolutions may deal with Health and Safety, Social Justice, or any educational issues. Refer to the *BCTF Members' Guide* at your school to see what policy presently exists on a given subject.

BCTF resolutions are usually worded beginning with the word "that"; e.g. That all-day kindergarten be available to all students in British Columbia.

Along with the proposed resolution(s), include a **supporting statement** about why you feel the resolution is necessary. Email to Jody Polukoshko at [jody@vesta.ca](mailto:jody@vesta.ca) or fax your resolution to the VESTA office at 694-873-2652 by 5:00 p.m. on **Friday, November 13<sup>th</sup>** and they will be brought to the December 8<sup>th</sup> General Meeting for acceptance.

It is, of course, possible to raise motions from the floor of the VESTA General Meeting.
